

TSD OFFERS FREE MOBILITY TRIAL UNTIL END OF 2020

For over 30 years, TSD has designed and developed fleet mobility solutions for dealerships and auto manufacturers to help manage their loaner and rental fleets. We are proud to serve over 10,000 dealerships and 12 OEMs across North America.

Today, TSD powers 250+ Honda locations and 100+ Acura locations.

Mobility Features

TSD DEALER is our latest technology built to support today's mobility options. Whether you have courtesy vehicles, rental cars, shuttles, or sales test drives, our new solution saves your operation time and money.

Here are some of the newest features in TSD DEALER:

- Contactless Experience
- Pickup & Delivery Options
- 100% Mobile Functionalities
- Telematics Capabilities
- Secure Credit Card Processing
- Fuel Expense Recoupment
- Toll Violation Automation
- Fleet Management Reporting

Trainings

Our expert team will offer customized, virtual trainings for all enrolled Honda dealerships.

In addition to group training, TSD DEALER contains interactive tutorials with video and audio walkthroughs and product simulations.

Support

Our 24/7 support team ensures maximum uptime and peace of mind. We are dedicated to your success.

FREE Test Drive of TSD DEALER

The Offer

For our new TSD customers, a FREE trial offer of TSD DEALER from September 1, 2020 through December 31, 2020. For our existing customers on our legacy products (who choose to migrate to TSD DEALER), TSD will offer a FREE month of services. TSD is happy to assist with importing your data from your existing system into our latest platform. If you decide not to stay with TSD after the trial, our team will help you export your data.

Post Trial

After the completion of your free trial, you'll have the opportunity to take advantage of our preferred Honda monthly pricing as detailed below. TSD DEALER also offers connected services including telematics and tolling which can be added for an additional fee. New dealers may cancel at any point during the trial period without consequence.
