

Exclusive **FREE** Trial for VW Dealerships! Valid 4/1 - 5/31!

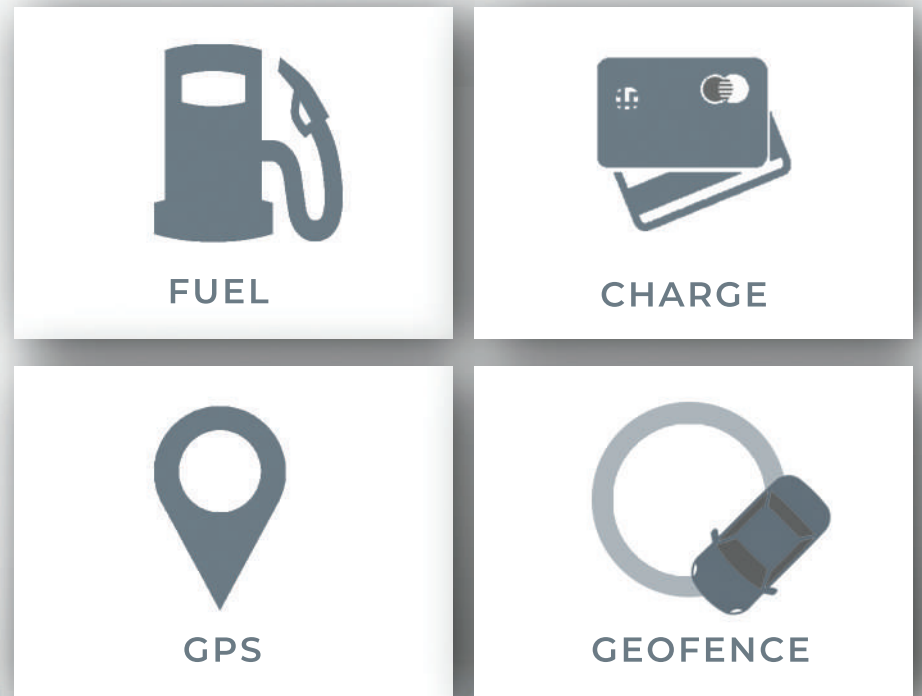

VOLKSWAGEN DIRECT CONNECT TELEMATICS

New Seamless Integration. No Device Needed.

TSD's integration with Volkswagen Direct Connect Telematics gives retailers the opportunity to access the latest in fleet management technology.

From real-time GPS fleet tracking to smart geofencing features and easy recouping of fuel costs, our connected solution helps you save valuable time and money.

Create a faster check-in experience with the current mileage and fuel level automatically added to every agreement.
